# **Introduction**

---

This handbook contains documentation kits designed to support Digital's hardware products. Each kit consists of all current documentation applicable to that product.

The amount of documentation available for individual devices varies, depending upon the complexity and application of the device. The kits, however, are designed to represent all available documentation.

The following types of documentation, where available, are included in each kit:

Maintenance Manuals  
Technical Manuals  
Illustrated Parts Breakdown Manuals  
User Guides  
Operator Manuals  
Installation Manuals  
Maintenance Print Sets

The products contained in this handbook are categorized by product type and by packaged system type. Kit part numbers are indexed in the back of the handbook.

Orders may be placed through your local Digital Sales Office. In the Continental U.S., orders may also be placed by calling toll free 800-258-1710. When ordering by phone, please provide the Kit Part Number and Kit Name.

More detailed ordering information begins on page v.

# How to order

**In Continental USA, call:**

or mail order to:

**800-258-1710**

Digital Equipment Corporation  
P.O. Box CS2008  
Nashua, NH 03061

**In New Hampshire, call:**

or mail order to:

**603-884-6660**

Digital Equipment Corporation  
P.O. Box CS2008  
Nashua, NH 03061

**In Alaska or Hawaii, call:**

or mail order to:

**408-734-4915**

Digital Equipment Corporation  
632 Caribbean Drive  
Sunnyvale, CA 94086

**In Canada, call:**

or mail order to:

**800-267-6146**

Digital Equipment of Canada LTD.  
P.O. Box 13000  
Kanata, Ontario, Canada K2K 2A6  
Att: A&SG Business Manager  
TELEX: 610-562-8732

**Outside North America, call or mail to:****ARGENTINA**
